Despite historically high interest rates and a lack of inventory, wealthy buyers have shown that luxury properties in key global markets are still very much in demand.

Additionally, luxury shoppers are driving the retail sector on one of its most elaborate and expensive expansion sprees in recent memory.

On this episode of the Luxury Stance podcast, Luxury Roundtable CEO Mickey Alam Khan and Silvertone Consulting president Scott Kerr dive into the current state of the luxury real estate market and the economic and societal factors that are presenting lucrative opportunities for stakeholders.
